Leadership DeKalb Tuition Scholarship Guidelines

The Leadership DeKalb scholarship program was created to help with financial barriers and provide an opportunity for select individuals to participate in the organization's leadership program. A limited number of full and partial scholarships are available. The scholarships will help offset the cost of the program's regular tuition. To be considered, all candidates must abide by the following guidelines:

- Candidates interested in applying for a scholarship must fully complete the scholarship request form and submit it to info@leadershipdekalb.org by **Friday, March 29, 2024**.
- Candidates who are selected and decide to defer to the following year will be required to complete a new scholarship request form.
- Scholarships may be up to the full amount of tuition, but the full amount is not guaranteed. A committee will review the scholarship request forms, select the scholarship recipients, decide on the scholarship amount, and offer this amount to the candidate. The candidate will have five (5) business days to respond with an acceptance or decline in writing to the scholarship offer.
- Candidates who are selected for the scholarship program are strongly encouraged to sign-up for a program day committee, event committee or special projects committee with Leadership DeKalb after completing the program.
- No member of the committee or Leadership DeKalb Board of Directors, or his or her immediate family shall be eligible for the scholarship assistance. Corporate sponsors are not eligible to apply for the scholarship.
- Leadership DeKalb reserves the right to withhold scholarship awards in any year if candidates are deemed unqualified.
- The awarded scholarship amount can be used only towards the tuition of Leadership DeKalb's program.
- Please contact Shara Sanders at shara@leadershipdekalb.org with any questions.
